# Demonstration Equipment Policy

The purpose of the Demonstration Equipment Policy is to provide distributors with cost-effective access to the latest version of DataApex's products and provide distributors with effective tools for software demonstrations.

There are three Clarity versions that can be used for demonstrations:

Feature	Clarity DEMO	Clarity Distributor's License	Clarity Trial
HW key (SW protection)	Not required	Required	Required
User code	Not required	Required	Not needed
Limitations in functionality	• It is not possible to control any instrument • The Data Acquisition window displays the word *Simulated* and all printouts contain the *Demo Version* watermark • The Demo version cannot read data from full Clarity, and import is not possible	**Unlimited** All printouts contain the *Distributor's license* watermark	**Unlimited**
Indication	*Demo* added to all window headers and the program icon	*Distributor's license* stripe in the main Clarity window	*Trial* added to the main Clarity window header
Validity	Unlimited	Unlimited	30 days **or** 100 SW starts from the 1st installation
Availability	Freely available from the DataApex website	Distributors only, limited quantity	Restricted distribution, available upon request only
Typical usage	Pre-sale tool, exhibitions, Clarity handouts	Demonstrations for customers, SW testing, processing customer's data	Exceptional end-user cases
Ordering	Web download or p/n C52 Free of charge	p/n C51 Free of charge	Individually
Note		HW (like A/D converters) is not included and has to be ordered separately (will be charged)*	After the trial period has expired, the SW can be transferred into a full SW license

Clarity Demo

Clarity Demo can be downloaded from the DataApex website or alternatively can be ordered as Clarity Demo installation media **p/n C52** Clarity Chromatography SW – Demo version.

## Clarity Distributor's License

Clarity Distributor's License can be ordered as **p/n C51** Clarity Chromatography SW – Distributor's license. It will automatically include all SW options that are available.

*In case a distributor also needs any hardware for demonstration, e.g., an A/D converter, such HW will be sold to the Distributor with an additional 20% discount (on top of the valid distributor's prices). This discount applies to DataApex products only.

Clarity Trial

The distribution of Clarity Trial is restricted due to logistics costs, please consult DataApex. Clarity Distributor's License and Clarity Demo shall cover the needs for software demonstrations.

DataApex reserves the right to change the Demo policy at any time.
